The Imhoff Crush

Sat 11th Feb 2017 11:00 - 17:00 (SAST)
Imhoff Farm, Kommetjie Road, Imhoff's Gift, Cape Town, South Africa, 7975

The Imhoff Crush; the same great family wine and food event at a new venue, Imhoff Farm.

An event catering for all the family.

The Imhoff Crush aims to bring wine farms from all over the province to your neighbourhood in a family focused festival.

The Imhoff Crush is a food and wine event for all the family. Breaking traditions of aristocratic wine events where quaffing and spitting are encouraged and children discouraged. The Imhoff Crush is a festival brimming with delicious food, over 100 wines from 25 wine farms and fun children focused activities in the vicinity for your mini-me's. We guarantee the children will be having as much fun as you do.

Entrance is free. For those who want to explore the wine stalls a R150 tasting passport can be purchased online for unlimited tasting of over 100 wines (which includes a tasting glass)

All the restaurants at Imhoff Farm will be open for business as usual, as well as providing pop up stalls within the festival should you want to enjoy your lunch on the grass.

Children are encouraged to enjoy the festivities. Imhoff Farm is a safe and fun filled environment for the children to experience animal encounters, explore the jungle gym, get their hearts racing playing paintball or have their face painted like their favourite animal.

An off consumption liquor license is in place so wine can be bought at cellar door prices to consume on or off the premises. The Imhoff Farm Restaurants will be waiving their corkage fees to promote the purchasing and consuming of the wines on the day.

Singer/songwriter/One Man Band Ryan Kidwell will be performing live throughout the day.

This event is being hosted by Imhoff Farm, Old Cape Wine Shop, Blue Water Café, Umami Sushi, Pepe Charlot and Orderwine.co.za.

Profits raised will be given to

FARR (The Foundation for Alcohol Related Research).
