

KIRKWOOD

FARR Kirkwood Project (Eastern Cape), celebrated International FASD Day on the 9th of September. The Project Coordinator, Mrs Beulah Grobler, shared information on "Why 9 September?", what does FARR do, what is FASD, and spoke about the new Kirkwood project in general. Miss Babalwa Rooi (Community Worker) handed out the FASD knots and explained the symbolism. Miss Rozaan Joubert (Community Worker) informed the crowd about the symbolism of the moment of silence. The ringing of the bell broke the silence and then the participants threw each other with powder paint as part of a game.
