

FARR Renosterberg Team did the almost impossible in small communities by reaching 250 participants for International FASD Awareness Day. In Petrusville, they visited 100 community members, in Phillipstown, another 100 people and in Keurtjiekloof, 50 people. Well done to Charlene Grobbelaar (Project Coordinator) and Community Workers Leonora Mouers, Bukiwe Williams, Monize Smeer and Priscilla Jonas for walking the extra mile!

Community members of Petrusville with FARR Community Workers , Leonora Mouers on the left and Bukiwe Williams to her right. This outreach was also attended by Me Hildegard van Wyk from Scatec CLO in Petrusville (between the FARR Community Workers).
